NATIONAL SPECIALTY JUDGE MR. JEFF HORSWELL, “DRAKESLEAT”, UK

Jeff has been going to dog shows from an early age, as part of a wider family involvement, when a Great Dane was bought as a family pet. Following a visit to local Paignton Championship Show, it was decided to buy a ‘show’ Dane and take part

in shows. During this period, Jeff took part in junior handling and in 1973 was runner up in the national finals. First judged 1982, first awarded CCs in 1989 (Dachshunds). He judged Min Wires at Crufts in 2000, his first Hound Group in 2000 and his first Championship Best in Show all breeds in 2003, he judged the Hound Group at Crufts in 2016. He awards CCs to breeds in all 7 groups, judge 5 groups and BIS at CH Level and has judged in various countries abroad. He is partnered with Zena Thorn-Andrews of Drakesleat and is an experienced Wolfhound judge.

GENERAL COMMENTS

I had a most enjoyable time visiting Canada for the first time and judging the Oakville Cluster of shows, so very well organized by a great team. I understand that the entries were very good. It was a pleasant surprise to find I was judging the Wolfhound National, and by current European standards a fairly high entry.

I have judged Wolfhounds many times in the UK, and have had a close relationship with the breed, having handled dogs in the past. As such I have very strong views on what a Wolfhound must look like.

I look for a hound that looks like it could do its job and so it needs strength and power. They must have long legs with plenty of air underneath, and a curvy outline. Short legs and long flat backs are just not correct. They mustn’t look heavy or dumpy, those I call big hairy dogs not Irish Wolfhounds.

I know that this is not an easy breed to rear correctly, but I did wonder if some got enough exercise. Wolfhounds need play and galloping to build muscle and strength, this was lacking in many. The other fault that worried me was the lack of well sprung ribs, too many were narrow right through.

Best of Opposite Sex – Kaldaun’s Samhain of Glenamadda - was the winner of the Open dog class (and Winners Dog). He still has to mature but I thought he was an easy winner and just right for type. Strong and powerful with elegance he is super for type and curves in all the right places. He is so light on his feet

when he moves.

Winners Bitch – Taliesin’s Boudicca at Sceolan - is a very good type, although would like darker eyes and a stronger muzzle. She too is curvy, well ribbed, not too long in back and has an easy light movement.

Best of Breed - CH Castlekeep’s Scarlet Magnolia - is a lovely bitch, who reminds me of some of the lovely bitches of the past. Her proportions are correct, curvy, powerful and such an easy mover.

Good luck to all breeders in taking the breed forward. This was a most enjoyable assignment.

— Jeff Horswell.

NATIONAL SWEEPSTAKES & UNOFFICIAL CLASSES JUDGE KAREN STRAGHAN “ULSTER”, ONTARIO

Over 52 years ago, my father, David Straghan’s childhood dream, while growing up in Ireland, of owning an Irish Wolfhound finally came true.

Once the family moved to Canada, my father took the family to the Canadian National Sportsman Show to show them the one and only type of dog he had ever dreamed of owning. As luck would have it, a Wolfhound breeder just happened to

have a litter of puppies and off we went “just to look”. The rest as they say, is history. The love affair and addiction for the great Hounds of Ulster began.

Our first wolfhound was Antrim’s Prince of Seacroft, followed 1 year later with Bardic’s Princess of Ulster. Over the years we have raised, bred and shown many Champions, both in Canada and the USA, under the kennel prefix “Ulster” Our father may be gone, but his dream lives on, with my sister, Marie and myself continuing his legacy with pride.

GENERAL COMMENTS

I wish to thank Susan Prokopenko and Carol Guilfoyle for the opportunity to judge the Irish Wolfhound Club of Canada’s National Specialty Sweepstakes and the unofficial classes this September, 2021.

It was both a privilege and an honour, one of which I will reflect on often with fond memories.

Most of all, I would like to extend my gratitude to the exhibitors who entered and allowed me the honour of examining their lovely hounds.

— Karen Straghan

PARADE OF VETERANS

This year the Specialty was proud to have four veterans in the Parade. There was one other Veteran not entered in the Parade but entered as competitive Veteran dog. Two of the Parade - Rigel and Arwen - were also in the competitive Veterans classes with Arwen taking Best Veteran at the National and Best Veteran and Select Bitch on the Friday Regional and Best of Opposite Sex at the Sunday Regional. Left to right pictured above are Rigel, Harry, Ivy and Arwen.

RIGEL – BISS CH TALIESIN'S REALTA GHEAL I BODACH BN RN THDA CGC TKI PCD RI CGN GRC

Male: DOB: 03/07/2011 (oldest Veteran at over 10)

Breeder: Donna & David Smith, by Taliesin's Suailce ex Taliesin's WyIde Rum Runner, Elsewhere.

Owners: Celeste Atkinson & David & Donna Smith

As you can see from the letters attached to his name, he has been a busy dog. Obtaining titles in Conformation, Racing, Pet Therapy, Rally, Obedience and Tricks in both the United States and Canada. He also received an Achiever Dog Certificate from the AKC that recognizes his versatility in multiple events. I am very proud of his accomplishments. I am indebted to Donna and David Smith of Taliesin Irish Wolfhounds for entrusting this amazing boy to my care. Life with Rigel has definitely been an adventure. If Rigel had a motto, it would be: "Look out World, Here I come!"

HARRY – CH KERRY'S GLENAMADDA INCANTATION

Male: DOB: 05/03/2013

Breeder: Kerry Koller, by Connemara's Pagan Justice ex CH Good Golly Of Kerry, Canada.

Owner: Susan Prokopenko & Kerry Koller

Harry turned 8 in May. He was named after both Harry Potter and Harry Houdini; he could get out of most dog gates. He was bred by Kerry Koller and lived with Susan Prokopenko in his early years. In 2018, when Susan was hospitalized, Harry went to live with Erica Standish. Erica asked if he could remain with her and his "sister" Ivy. Harry sired four litters, and two of his grandchildren are currently residing at Glenamadda.

IVY – GLENAMADDA EBONY AND IVORY

Female: DOB: 11/09/2012

Breeder: Dr Susan M.L. Prokopenko, by Glenamadda Starkeeper Dublin ex CH Glenamadda Starkeeper Bellamie, Canada. **Owner:** Erica Standish.

Ivy was one of 9 pups from the Glenamadda II-litter. She and her brother Griffin are the two survivors. Ivy lives on a horse farm with her owner Erica Standish and her "brothers" Harry (also a Veteran) and Gandalf the "pup". Ivy went to live with Erica as an adult needing rehoming and it is a match made in heaven.

ARWEN – GCH KALDAUN'S ARWEN

Female: DOB: 09/08/2014

Breeder: Kyreen Shorey by Pitlochry's Talented Mr Ripley ex CH Pitlochry's Olivia, Canada

Owner: Kyreen Shorey

Born 7 years ago was not only a handful at birth but has continued to be so for all her life. It is that strength of character and movement that I noticed as a young puppy and she is still displaying both, 7 years later. She is the pack leader of all the Kaldaun Pack and can be a typical grumpy old lady, but I would not change her one bit. Unlike her mother, she loves to travel and show although only for myself and experienced a very successful show career, earning her Grand Championship title at an early age. Nowadays she is enjoying her retirement and due to a case of pyometra I was heartbroken at not being able to breed her successfully. I hope to have her at my side for many more years to come.... like her beautiful mother Pitlochry's Olivia.
